## THOUGHTS FROM THE KIB BOARD

This month's contributor is Julie Schmitt:

Rick, Margie and I are back in Irving after attending the Keep Texas Beautiful State Conference. It's always nice to be honored by our state organization for our efforts throughout the year, and we in turn like to nominate our partners so that they can also be recognized for what they do. In addition to receiving the awards, the KTB conference offers us an opportunity to attend educational sessions, share ideas and learn from other affiliates across the state so that we can implement new ideas into our programming."
