

Keep Irving Beautiful Newsletter

Through the Years with KIB

As Keep Irving Beautiful gears up to welcome back volunteers and engage them in community improvement projects again, we also find ourselves looking back and reminiscing about the past decade. What a lot of fun we have had, and what a positive impact our volunteers have made. Through cleanups, paint projects, tree plantings, mascot skits, green events, and the no-sew blanket project, these dedicated and energetic folks have shown the true spirit of the Irving community and have helped KIB to achieve so much.

Please take a moment to enjoy some of our favorite pictures from the past few years, and maybe you'll see yourself or someone you know! We look forward to seeing all of you again very soon as you help us in our efforts to keep Irving beautiful. Staff is busy planning for future events, so be sure to check back at www.keepirvingbeautiful.org (or use the QR code in the bottom right corner) and click the calendar link to see volunteer opportunities as they become available.

One of the current KIB staff's very first projects was painting at City Hall with Universal Peace Federation volunteers, and our longtime friend Jon Halsey.

KIB volunteers kayaked the Elm Fork of the Trinity River while collecting litter

Cleanups in fields of wildflowers

UPS Volunteers planted trees with KIB

The No-Sew Blanket Project

Volume 10, Issue 6
June 2020

Paint Projects at Irving parks

KIB Mascots visited Emma's House

Learning about recycling is fun with the KIB wheel

Trash Bash volunteers of all ages found all sorts of items.
